Merci! You have safely delivered the prince!

Escorted, Glisser! Doing your presto-chango size stuff again? Wait. Where is your date?

He is our double date, non?

How. . .
What kind of loony logic. . .
Ah~ah! We seem to have quite the little misunderstanding.
Mes amis, nothing we can't discuss over a humble meal, non?
CRASH!
Get him!
Get him!
Ay, buffoons! That the best you got for the least I got?
